In an effort to streamline and coordinate effective and regular trainer development, we have scheduled quarterly trainer certifications.

The following are target training dates. Times, location and details will be arranged specifically with candidates as they apply, in order to remain flexible to them.

April 13-14th
July 13-14th

Do you know someone that would make a great trainer? Do you need a partner to build your Kidlead team? Let's work together to make this happen!

Kidlead Camp Summer 2011

KIDLEAD.CA is UP!

Kidlead.ca is UP and running! We've tweaked the US site to reflect Canadian content, listing our Canadian trainers and clubs and more. If you are running a club or have suggestions or ideas on how we can make it even better, please email Phil.

Koach Training 2012

As lead trainers it is important for us to support our trainers in as many ways as possible. One of these ways is to offer regular Koach training. Even if you only have one or two Koaches you can send them to our training, or they can shadow a Koach at an existing club. And of course, as a trainer you can always facilitate your own training. Koach training dates you can utilize are as follows:

Mon March 5/11 (7-10pm)*
Mon June 4/11 (7-10pm)*
Mon Sept 10/11 (7-10pm)*
Mon Dec 3/11 (7-10pm)*
* Locations to be announced.

OTHER NEWS...

- Nicki and Hilary are willing to come and speak at your Developing your Child to Lead seminar to help you build your network.
- Watch for Kidlead webinars that you can utilize with your parents and community connections.

LEAD TRAINER TIP:
Add on that service project!

The best service projects are those with community agencies as partners that have good reputations. It builds Kidlead and gives you added exposure. This provides great experience for your kids.
